

48000C Compressor Oil 68

Document version: Jun 22, 2019

Description

This mineral shaftless air compressor oil 68 has been specially developed for use in piston compressors and some rotary compressors. This oil is suitable for compressors operating with a delivery temperature up to 220 ° C. This oil is also extremely suitable for cooling or lubricating screw and centrifugal compressors (radial and axial).

Complies to the specifications of

DIN 51506 VDL
Pneurop DIN 51352

Packaging units
